Production of handmade foodstuffs in Europe
here: our letter to EU-Commissioner John Dalli

Dear Sir or Madam!

After the voting of the responsible committee in the European parliament for food information regulation we sent the attached letter to the new commissioner Dalli. Because of the fact that the concluding decision is made by the commission and the Council of Ministers, we would be grateful, if you could inform your governments accordingly on the basis of our letter to commissioner Dalli, in order to reach a forming of an opinion in the interest of our enterprises.

Kind regards
